i_XPERIENCE

February 6, 2019

Dear MERCY SALOME JEMUTAI

Application decision for iXperience 2019

Over the past few months, we received a large number of applications to iXperience's programs around the world. We take the selection of our class each year very seriously, and places in our program are incredibly competitive. That said, we are delighted to grant you admission into the iXperience 2019 Data Science 6-week Summer Program in Lisbon, from July 7, 2019 to August 17, 2019 — congratulations!

We were impressed with your drive, enthusiasm, and passion for learning. If you accept your place, you will join a global community of brilliant students who, like you, are motivated, intelligent, adventurous, and determined to excel. iXperience is the perfect opportunity for you to acquire the skills and experience you'll need to thrive in an ever changing world.

iXperience is academically sponsored by the University of Virginia (UVA) — one of the world's best research universities. Through the iX program you will earn 6 credits that you may be able to transfer to your home university. These credits could potentially be applied towards your major, elective, or other requirements.

The Admissions Team and I are here to help make enrollment as smooth as possible for you. If you have any questions along the way, please reach out to us – we're here to help.

Welcome to the iX family, MERCY SALOME! We look forward to meeting you soon in Lisbon.

Best,

Nesh Govender
